Dear Parents and Carers,

A new term and a new topic! As I am sure you have no doubt already heard, our topic for this term is called 'Into the Unknown' and during this topic we will be learning all about the Arctic and Antarctic and we have some exciting things planned to support your children's learning.

Husky Visit

On **Friday 27th January**, Year 3 and Year 4 are having a visit in school from 2 husky dogs and their handlers. The dogs come from a Sussex-based company and are very used to visiting schools. This is a fantastic opportunity for the children to come face-to-face with the animals and ask lots of questions to the handlers about them. This will be a full day visit which will form the basis of future topic work.

We would be very grateful if you could contribute **£2** towards to the cost of this visit. Please could you send this in to the school office as soon as possible and no later than Friday 20th January.

Please also let us know, via the slip below, if there is anything we need to be aware of regarding your child and dogs e.g. any allergies etc.

Many thanks for your continued support.

Mrs Pountain
Year 3 and 4 Phase Leader

Year 3 and 4 Husky Visit

Child: _____ Class: _____

Please provide details of any allergies or things we need to be aware of

No issues Please be aware of the following: _____

I will ensure that a contribution of **£2** reaches the school office by Friday 20th January
