

BEACON VIEW PRIMARY ACADEMY ADMISSIONS POLICY 2017/18

This policy will apply to all admissions for the academic year 2017/18 including in year applications. The Published Admission Number is 60

If the school is oversubscribed, applications will be considered first according to the priorities in the order set out below: -

1. Children who are looked after by a local authority (i.e. in their care or provided with accommodation by the authority for a continuous period of more than 24 hours). Children who were previously looked after but immediately following being looked after became subject to an adoption order, residence or special guardianship order. Please see "Additional Information".
2. Children or families who have a significant medical, physical, psychological or social need. Evidence must be attached. Applications under this criterion must be supported by written evidence from an appropriate professional involved stating clearly why the preferred school is the most appropriate for the child and reasons why other schools in the city are inappropriate. All applications received under this category are considered by a multi-disciplinary team of the local authority. Please see "Additional Information".
3. Children living within the school's designated catchment area. (If the school cannot admit all applications from the catchment area, applicants will be ranked within this category in accordance with priorities 4(i) to (v) below.)
4. Children living outside the school's catchment area in the following priority order: -
 - i) children who have a brother or sister (living in the same household) at the school or an adjacent infant school on the academic year commencing September 2016.

Note – this category does include step-brothers/step-sisters, adoptive brothers/sisters living within the same household or children whose parents are married or cohabiting and live together within the same household.
 - ii) children who live closest to the school, based on the shortest distance from home to school, measured 'as the crow flies'. (This distance will be used where necessary to prioritise applications). Should there be two or more identical distances requiring prioritisation, this will be done by casting lots. Please see "Additional Information".

Note: should the school be oversubscribed from within any of the criteria 4(i) above, then any additional criteria as given in 4(i) to 4(ii) will be used to prioritise applications within these categories

Displaced Sibling

Where the LA is unable to meet a parental preference in relation to a catchment school, the LA will have to allocate a place at a lower preference school or even allocate the next nearest school with places available. Parents may prefer to then try and get a place for another sibling at the same school. In such instances, this school could then be treated as the catchment school for subsequent sibling applications. Parents would have to notify the LA on application that they consider this exception applies. If the application was for the actual catchment school this criterion would still be applied. This would be applicable to Portsmouth schools who have catchment criterion as part of their admissions policy

Pupils with a statement of special educational needs or statutory education, health and care plan

The Admissions code states “ *all children whose statement of special educational need (SEN) or Education Health and Care (EHC) plan names the school must be admitted*”.. These children will have priority for admission over and above all other admission applications and will be included in the admissions allocation process

Additional Information

Looked after children

These are defined as children who are looked after by a local authority, i.e. in their care or provided with accommodation by the authority for a continuous period of more than 24 hours.

Children who were previously looked after *, but ceased to be so because they were adopted or subject to a residence or special guardianship order. A copy of the relevant court order will be required.

**A child is considered as ‘Looked After’ as defined in section 22(1) of the Children Act 1989.*

A child is considered ‘Adopted’ as defined in section 46 of the Adoption and Children Act 2002.

Residence order- as defined in section 8 of the Children Act 1989.

Special guardianship order – as defined in section 14 a of the Children Act 1989.

Medical, physical, psychological or social need

If a child or a family member has a significant medical, physical, psychological or social need that you would like taken into account when places are allocated, applicants should tick the relevant box on the application form and submit supporting evidence to support their request. The evidence must be in writing from a doctor or other appropriate professional involved with the child/family member's health, wellbeing or specific family circumstances .In all cases evidence must show why it is appropriate that the child attends the preferred school and why other schools in the city are inappropriate.

All applications received under this category are considered by a multi-disciplinary team of the local authority.

Catchment Areas

A catchment area is a geographical area defined by the council. The idea of having a catchment area is to give some priority for the admission of children living in the local area of the school. Please note: living in the catchment area does not guarantee a place at the school. Your catchment area is determined by your home address (the child's permanent residence). Further details of the individual school's catchment area will be provided on the council's website or by contacting the Admissions Team.

Sibling links

A sibling link is defined as a child's brother or sister (living in the same household) already on roll and attending the school you have applied to or at an adjacent infant/junior school and who will still be attending the school the following academic year. This category includes step-brothers/step-sisters; adoptive and foster brothers/sisters living in the same household or children whose parents are married or cohabiting and live together within the same household. This does not include siblings who live in a different household. Twins, triplets and other children of multiple birth will be admitted above the admission limit of a school if the limit has been reached by admitting one of the multiple birth children. A sibling link at the school does not guarantee admission to the school.

Where it is necessary to prioritise applications the criterion will be prioritised based on the shortest distance from the child's home to school, measured in a straight line 'as the crow flies'. Distances will be measured using the council's Geographical Information System (GIS) department. The Local Land and Property Gazetteer (LLPG) unique property reference co-ordinates will be used to represent the school, whilst home co-ordinates will be primarily derived from the LLPG, with Ordnance Survey's ADDRESS-POINT® product used as support. Only distances measured by GIS will be taken into account for the purposes of the distance criterion. Should there be two or more identical distances, the prioritisation will be done by casting lots. The Admissions Team will arrange for this to be carried out by the LA's Democratic Services who are independent of the school and the admissions process.

Fair Access Protocol

The Local Authority operates a Fair Access Protocol which prioritises admissions for certain categories of secondary school age children. This protocol relates to admission applications throughout the year (but not the transfer of Year 6 pupils from primary/junior to secondary schools in September 2017). The protocol takes priority above the school's admission policy for those on a waiting list and the LA may require the school to admit above their published admission number.

Appeals

If a parent is unsuccessful with any of their preferences they will have the right of appeal to an independent appeal panel and will be provided with the relevant documentation.

Waiting lists

All parents who have been refused a place at the school will have the option to indicate their wish to remain on the waiting list – via a tick box on the allocation response form online or on a paper reply slip. Children will be held on the waiting list by order of the criteria in the Admissions Policy. No account can be taken of the length of time a pupil is on the list. A pupil's position can change on the list as new applicants join or other applicants come off the waiting list. Children will remain on a waiting list only until the end of the academic year August 2018, if parents/carers want their children to be on the waiting list for the following academic year, they must reapply.

Approved by the Governing Body – Autumn 2016

Review Date – Summer Term 2017
