

## Sports Premium Funding 2016 – 2017 Strategy

This additional funding has been made available directly to schools to improve the provision of Physical Education (PE) and Sport for all children. Schools have the freedom to determine how best to use this funding to improve the quality and breadth of PE and sport and in turn enhance participation level and attainment.

At Beacon View we have been allocated approximately £9,000 for the academic year 2016-2017. This money will be used to enhance and broaden our PE provision, making it exciting for all children and encouraging lifelong participants in sport and physical activity.

Aims for funding:

- To encourage healthy lifestyles and lifelong participation in sport and physical activity.
- To enhance the quality of PE teaching for both the children and teachers
- To improve opportunities to take part in inter school festivals and competitions
- To develop self-esteem in all children enabling them to become motivated, independent learners.

How the funding will be used	Impact	Cost
PE leader – to drive and develop the sports curriculum in the school	Specialised PE leader to teach all children PE lessons ensuring they receive the best coaching possible. This will also support our teachers and develop subject knowledge and confidence in this subject area.	£9,000
PE Kit	Ensure every child has a PE kit.	£275
