

Beacon View Primary News

Dear Beacon View Families,

Welcome back to the first week of term! We hope you all had a wonderful and restful break, and that everyone is settling back into the school routine smoothly.

It was great to be back in school on Thursday, to see all the children and staff and to be so warmly welcomed back, I have massively missed everyone. Thank you especially to the gardeners who downed tools and ran to greet me with hugs and smiles. I am really pleased to be returning to school and look forward to catching up with everyone over the coming term. This term promises to be a great start to 2025.

As always, we're grateful for your continued support and partnership. Let's make this term a fantastic one!

Warm regards,

Sally Hodgson
Principal

Starting School in September 2025 - Key Information for Parents

A message from Claire Fortey, Regional Director for United Learning

Dear Beacon View Families,

Back in the Autumn term I wrote to introduce myself and the other members of the United Learning team, and to share the school's priorities for this year and how United Learning supports both Beacon View and Victory towards progressing these.

Now that the Spring term has begun I am pleased to let you know that the school is progressing well, and children and staff are working hard; this has recently been reflected in some positive assessment results. I have spent a lot of time in and out of classes over the last few months, and it has been particularly lovely to see the children really enjoying their lessons. I know that this will continue to be a focus in the weeks ahead.

This term I continue to work closely with both Beacon View and The Victory, and Mr Wood will continue in his role as Educational Partner this term, bringing valuable additional capacity to the leadership team. Hopefully this term we will also see the completion of our new playground and carpark – very exciting !!

And finally, thank you for all that you do to support the school. Beacon View does such great work with regards to supporting families and the wider community, and I know that your engagement is central to this.

Exciting News! Our First Gardening Competition of the Year

We are thrilled to announce that the first gardening competition of the year will be start next week!

On **Thursday**, each class will receive a potted tête-à-tête bulb. It will then be up to the class to care for their bulb, helping it grow and thrive. The challenge? Be the first class to have an open flower and claim the victory!

This competition is a wonderful way to spark your child's curiosity about gardening and plant growth, so let's cheer on their efforts. Who will bloom first? Stay tuned to find out!

NHS Pharmacy First Service

Did you know that the NHS Pharmacy First Service enables children and adults to get convenient access to healthcare advice and treatment where appropriate, for seven common conditions without the potential delay of having to wait for a GP appointment? Accessing the service may mean that can help children feel better and back to school as quickly as possible, as well as supporting parents/carers to also get better if they are unwell with one of the conditions covered under the service.

There is no need to make an appointment; parents or carers can pop into their local Boots pharmacy with their child and ask for help under the service.

Support for the following conditions can be accessed under the service, free of charge (unless NHS prescription charges apply):

<u>Common condition</u>	<u>Patient eligibility</u>
Earache	1 to 17 years
Impetigo	1 year and over
Infected insect bites and stings	1 year and over
Sore throats	5 years and over
Sinusitis	12 years and over
Uncomplicated urinary tract	Women 16 to 64 years
Shingles	18 years and over
